

## TRI-STAR 80

LOA 80' BEAM 47'6" DRAFT 5' DISPLACEMENT 100,000# SAIL AREA 2640 sq.ft.

TRI-STAR 80 spaciousness is twice that of Tri-Star 65. Tri-Star 80 has the constant radius hull lines as can be seen in the photograph of the first 80 started and the people assembling the frames gives a good idea of her size. With the 80's spaciousness she may be outfitted to be the most luxurious of Trimarans. Tri-Star 80 has the hull shapes to make her a fast seaworthy sailing yacht, and her accommodations potential make her a yacht most only dream of.
